II. Rezoning Application Checklist

Any Petitioner filing for rezoning is required to discuss the proposal with a Charlotte Mecklenburg Planning Department "CMPD" Rezoning Team member prior to the filing of the petition. Upon submittal of the petition, all required items must be verified by the rezoning gatekeeper before an application is considered completed and filed for processing. Incomplete applications can be returned to the petitioner (see Section 6.202). No applications will be accepted after the closing deadline for each month's cases. There is a limit of 16 cases per month.

SUBMITTAL REQUIREMENTS:

All petitions:

1. Two signed official applications;
2. If only a portion of a lot is being rezoned, and/or if the rezoning boundaries do not follow property lines, and/or if there is more than one requested zoning classification that does not follow a property line; submit a survey map delineating the property or area in question;
3. Filing Fee.

Conditional Petitions Only:

- A. Items 1-3 above
- B. All property owners must sign the conditional rezoning application.
- C. A tree survey of all trees within the street rights-of-way.

 - two (2) copies, folded to 8½" x 11"

If one is required, it will be listed in the "site plan comments" and sent to the petitioner from a rezoning team member. The petitioner will be notified if one is required. If not provided by the date of the Public Hearing, the Public Hearing will be automatically deferred to the next Council-zoning meeting.

Staff signature and date

If deemed incomplete, agent or petitioner will be contacted with a deadline to provide the required information. If the information is not submitted as requested, the petition will not be processed.

III. Process Information

The time frame for rezoning is dependent upon the complexity of the rezoning petition. After an application has been accepted there are three (3) meetings for conventional rezoning petitions and four (4) meetings for conventional rezoning meetings. The petitioner and/or his representative should attend each of these meetings. The meetings are as follows:

- Community meeting (only required for conditional petitions)
- City Council Public Hearing
- Zoning Committee Work Session
- City Council decision meeting

Overview

1. **Submittal Date:** Planning staff accepts up to sixteen rezoning applications each month. The deadline for case submittal is the fourth Monday of each month. Cases which are not complete or do not meet ordinance requirements will be returned to the petitioner and resubmittal will be necessary.
2. **Initial Staff Review:** After submittal, City and County staff will perform a review of each case. Staff comments will be provided per the attached schedule. Subsequent reviews should not result in new comments, unless resulting from petitioner changes to the submittal.
3. **Meeting with Staff to Review Initial Comments:** After a case is filed, staff will schedule a meeting with the petitioner to discuss comments from the initial staff review. The meeting will focus on questions the petitioner has about comments, as well as discussion about potential ways to resolve staff concerns.
4. **Petitioner's Community Meeting:** The required community meeting for conditional/optional cases must be held within approximately two months of the original submittal (see the attached schedule) and the community meeting report must be included with the subsequent submittal. There is not a required community meeting for conventional cases or for text amendments.
5. **Additional Full Reviews:**
 - a. After the initial submittal, the petitioner has two options for resubmittal. The petitioner may: 1) resubmit for an additional full review, or 2) submit an updated site plan and notes with a request to be scheduled for the next public hearing (see #6 below).
 - b. It is not uncommon for cases to require more than one full review due to the complexity of the case or number of substantive issues. Additional full reviews must be submitted by the date on the attached schedule and, in most cases, staff comments will be provided to the petitioner in two weeks. If major revisions to the previous submittal are made, additional review time may be required.
6. **Petitioner Requests to be Scheduled for Next Public Hearing:**
 - a. Staff will review the updated site plan to determine whether it meets the following:
 - i. Submittal is compliant with zoning and subdivision ordinance;
 - ii. Transportation analysis (if required) submitted three months prior to requested hearing date, and analysis determined to be adequate by CDOT.
 - iii. Small number of outstanding issues (typically five or less) and no foundational outstanding issues that will require site redesign. If staff and the petitioner have reached an impasse on an issue and cannot reach resolution, this issue will not be considered in the determination about whether a case is to be scheduled for hearing.
 - b. Staff will inform petitioner about whether the case meets the criteria to be scheduled for public hearing. If a case does not meet the criteria, it will be scheduled for another full review.
 - c. Even if a case meets the criteria to be scheduled for a public hearing, the petitioner may request a deferral of the case. The deadline for deferral prior to advertising for the public hearing is shown on the attached schedule.
7. **Public Hearing:** The City Council and Planning Commission's Zoning Committee attend the scheduled public hearing for each case. As part of the hearing, staff presents an overview of the case and staff's recommendation, and supporters and opponents of each case are given time to speak to the Council and Zoning Committee.
8. **Submittal for Zoning Committee Review:** The Planning Commission's Zoning Committee reviews each case and makes a recommendation to Council. An updated submittal for Zoning Committee review may be submitted after the public hearing for the case and by the deadline shown on the attached schedule.

9. **Zoning Committee Meeting:** The Zoning Committee meeting is not a public hearing, but it is recommended that the petitioner attend in case the Zoning Committee members have questions for the petitioner about the case.
10. **City Council Decision:** The City Council makes the final decision on each rezoning case.

Community Meeting Information

- a) **When a Community Meeting is required, the City Council requests that a notice of that meeting be sent to them.**
- b) **A report on the community meeting with appropriate parties is required to be filed in the Charlotte City Clerk's Office in accordance with the City of Charlotte Rezoning Schedule. Failure to meet the deadline will result in an automatic deferral of the public hearing.**

Rezoning Applicants and Agents:

As a part of the conditional rezoning process, you are required to have a "community meeting" and submit a written report to the Office of the City Clerk. This meeting is instrumental in providing information to the public regarding your rezoning request. For this reason, the following should be considered when planning your meeting:

- Hold the meeting at 6:00 pm or later to allow citizens time to arrive after work or at a time that is suitable for the target audience. For example: if your adjacent property owners are located within an office park, a 5:00 pm meeting may be more appropriate.
- Hold the meeting in the community where the rezoning is located. If this is not possible, the meeting should be held in a location that is as close as possible to the area to be rezoned.
- Avoid holding the meeting on holidays.
- Invite your City Council representative.
- Mail out notices of the meeting no less than 10 days prior to the meeting.
- If no citizens attend your meeting, consider having a second meeting.

Attached is a copy of the Zoning Ordinance requirements for the meeting and an example of a community meeting report. If you have any questions about this process, please contact Tammie Keplinger at 704-336-5967.

Site Plan Information

Notes:

1. **Revised site plans (a PDF formatted version on an R-CD that is searchable) is due by 5:00 p.m., five weeks prior to the scheduled public hearing and should be emailed to Michael Russell (mrussell@charlottenc.gov) and Tammie Keplinger (tkeplinger@charlottenc.gov). Failure to meet the deadline will result in a request for a one-month deferral of the public hearing.**
2. **Revised site plans (a PDF formatted version on an R-CD that is searchable) for the Zoning Committee meeting should be emailed to Michael Russell (mrussell@charlottenc.gov) and Tammie Keplinger (tkeplinger@charlottenc.gov) by 5:00 pm on the Monday following the public hearing.**
