

LOCAL HISTORIC DISTRICT: Dilworth
ADDRESS OF PROPERTY: 801 Romany Road
SUMMARY OF REQUEST: Porch Addition
OWNER: Paul & Julie Boggs
APPLICANT: Lindsay Daniel

Details of Proposed Request

Existing Conditions

The property is a two story single family brick dwelling was built in 1951 between Myrtle Avenue and Carlton Avenue and overlooks Latta Park. It is bound by single family structures. There is a screened in porch on the side of the home with a terrace above.

Proposal

The applicant proposes the existing porch to be removed in lieu of a two story addition. A new porch and second story balcony will be built on the right side of the front façade. The ground level porch will tie into the main entrance. The second story porch is supported by columns and will have a railing and French doors that provide access, replacing the existing window.

Policy & Design Guidelines for Additions

HDC Design Policy on Additions requires that additions be evaluated according to the following:

1. All additions will be reviewed for compatibility by the following criteria:	
a. Size	<i>the relationship of the project to its site</i>
b. Scale	<i>the relationship of the building to those around it</i>
c. Massing	<i>the relationship of the building's various parts to each other</i>
d. Fenestration	<i>the placement, style and materials of windows and doors</i>
e. Rhythm	<i>the relationship of fenestration, recesses and projections</i>
f. Setback	<i>in relation to setback of immediate surroundings</i>
g. Materials	<i>proper historic materials or approved substitutes</i>
h. Context	<i>the overall relationship of the project to its surroundings</i>

Staff Analysis:

It is the opinion of staff that the proposed addition meets the Guidelines in terms of Size, Scale, Massing, Fenestration, Rhythm, Setback, Materials and Context relative to the existing structure and the adjacent homes.
