CERTIFICATE OF APPROPRIATENESS

CERTIFICATE NUMBER: HDC 2013-160

DATE: November 18, 2013

ADDRESS OF PROPERTY: 1936 Park Road

HISTORIC DISTRICT: Dilworth

TAX PARCEL NUMBER: 12108705

DETAILS OF APPROVED PROJECT:

Façade change. Two doors exist on the front of the house. One is in a bay window. There is evidence that a window originally existed in this space and at some time in the past a door replaced a window. The other door – more to the center of the front – was the original entry even though it has a much newer door in the opening. The plan is to remove the older door in the bay window and replace it with a window which matches the other two. The newer door will be removed and replaced with the older door from the bay.

- This Certificate of Appropriateness indicates that this project proposal has been determined to comply with the standards and policies of the Charlotte Historic District Commission.
- No other approvals are to be inferred.
- No demolition other than that specifically indicated on any attached plans is authorized under this approval.
- All work must be completed in accordance with all other applicable state and local codes.
- Any changes from or additions or deletions to the plans referenced herein will void this Certificate, and a new application must be filed with the Historic District Commission.

This Certificate is valid for a period of six months from the date of issuance. Failure to obtain a building permit in that time will be considered as a failure to comply with the Certificate and the Certificate will become invalid. If a building permit is not required, then the approved work must be completed within six months of the date of issuance of this Certificate. The Certificate can be renewed within twelve months of its issuance by Historic District Commission staff by written request and submission of a valid reason for failure to comply within the six-month deadline.
