DETAILS OF APPROVED PROJECT: Tree Replanting. This project is tree replanting to replace an unhealthy and hazardous tree per the Certified Arborist report. New tree(s) will be selected from the approved plant species, large maturing canopy tree list as outlined in the Charlotte Land Development Standards Manual (CLDSM) and included in the attached exhibit. The replacement tree should be approximately 2"-3" caliper in size and planted during the next replanting season. See exhibit 'Site Plan – May 2019'

1. Applicable Policy & Design Guidelines and Approval Authority – Projects Eligible for Administrative Approval, page 2.6: Landscape and Site Features.
2. The applicable Policy & Design Guidelines for Trees (page 8.5) have been met.

- This Certificate of Appropriateness (COA) indicates that this project proposal has been determined to comply with the standards and policies of the Charlotte Historic District Commission.
- Display the blue COA placard in a visible location along with any required permits.
- No other approvals are to be inferred.
- No demolition other than that specifically indicated on any attached plans is authorized under this approval.
- All work must be completed in accordance with all other applicable state and local codes.
- Any changes from or additions or deletions to the plans referenced herein will void this Certificate, and a new application must be filed with the Historic District Commission.

This Certificate is valid for a period of twelve (12) months from the date of issuance. Failure to obtain a building permit in that time will be considered as a failure to comply with the Certificate and the Certificate will become invalid. If a building permit is not required, then the approved work must be completed within twelve (12) months of the date of issuance of this Certificate. In either situation, the Certificate can be renewed for an additional twelve (12) months by Historic District Commission staff by written request within the first twelve (12) months from the date of issuance.
