

HISTORIC DISTRICT DESIGN GUIDELINES PUBLIC MEETING

The Charlotte-Mecklenburg Planning Department cordially invites you to attend the first public meeting to discuss improvements to the *Historic District Commission (HDC) Policy & Design Guidelines*. The goal of this project is to create a user friendly document with clear design guidelines and updated policies for construction projects in Charlotte's six local historic districts. The project will be managed by the architecture and planning firm Frazier Associates from Staunton, VA. In addition to public meetings, comments and questions can be submitted directly to the HDC staff.
