

PROSPERITY HUCKS ACTIVITY CENTER

5

Prosperity Hucks area plan

Questions
Community Group Work Sessions
Tuesday, September 16, 2014

1. What are the design characteristics of the village we want to establish?

Birkdale like / main center gathering

2. What is the type and form of retail/office/commercial we want for the village?

*library / office over retail
daycare / lrg office*

3. Where is the place for multi-family in the village?

surrounding center

4. What is the type and function of open space we want for the village?

Central park, community space

Activity Center - North Core

VISION

This is the heart of the Prosperity Hucks Activity Center, containing a variety of uses, with an emphasis on retail. It will establish a sense of place for the community, promote walking, and provide spaces for gathering.

KEY CONCEPTS

Land Use

- **Mix of Uses** – emphasis on retail with employment, residential, and institutional uses.
- **Two or More Uses** – development should include two or more uses.
- **Diversity of Housing** – and only as part of a mixed or multi-use development.

Urban Design

- **Walkable & Connected** – development designed to create walkable places.
- **Face the Street** – buildings on the street with parking to the side or rear.
- **Front Yards** – green areas between the street and housing.

Open Space

- **Parks & Open Space** – development oriented on parks, plazas, and/or recreation areas.
- **Community Gathering** – public spaces for events and gatherings.

Mobility

- **Connectivity** – a network of interconnected streets.
- **Walkable Streets** – with sidewalks, street trees, bike lanes and on-street parking.

Activity Center - South Core

VISION

This is a core part of the Prosperity Hucks Activity Center, containing a variety of uses, with an emphasis on employment. It will strengthen a sense of place for the community, promote walking, and provide spaces for gathering.
