

Charlotte Department of Transportation Memorandum

Date: December 29, 2003

To: Keith MacVean
Planning Commission

From: Scott L. Putnam *Scott L. Putnam*
Development Services Division

Subject: Rezoning Petition 03-005: North side of Sofley Road, West of
North Haven Drive (Revised 12/03)

This site could generate approximately 80 trips per day as currently zoned. Because of new development data, the site could generate approximately 500 trips per day under the proposed zoning. This will have a minor impact on the surrounding thoroughfare system.

We have no remaining transportation issues with this petition.

If we can be of further assistance, please advise.
