Planning Commission

From: Scott L. Putnam

Subject: Rezoning Petition 06-061: Located north of South Tryon Street and east of Greybriar Forest Lane (Revised 05/19/06)

This site could generate approximately 550 trips per day as currently zoned. Under the proposed zoning the site could generate approximately 780 trips per day. This will have a minor impact on the surrounding thoroughfare system.

We have no remaining transportation issues with this petition.

If we can be of further assistance, please advise.
