GENERAL NOTES

- All distances shown hereon are horizontal ground distances unless otherwise noted. All areas were calculated using the coordinate method.
- Property as shown hereon may be subject to recorded or unrecorded easements, right-of-ways, restrictions, and/or conditions not observed or indicated hereon.
- This drawing is a conceptual site study and is subject to further design analysis in regards to applicable local, state, and national building codes and local zoning ordinances.
- All modifications to this site plan will be done in accordance Chapter 6 of the Zoning Ordinance.
- Curbs with dimensions and locations to be approved by NCDOT.
- Not to be used for construction, plan subject to approval by local authorities.
- All building signage shall comply with all applicable city sign ordinances.
- Sidewalk (ft. width) required from each building to each public street as indicated on drawing.
- Curbs/gutters, storm drainage and sidewalks are required along all public streets.
- One (1) inverted U-type bicycle rack at each non-residential building to be provided on the site.
- Typical parking module dimensions are 8'-6" wide by 18'-6" long.
- ***The petitioner shall comply with the Charlotte City Council approved and adopted Post Construction Controls Ordinance.
- The Developer will fund speed hump installation at new interior roads and Prosperity Commons Rd. provided that of the speed hump requirements by the City are met. Consideration for installation shall be determined and approved by CDOT. The installation of the speed humps shall be installed simultaneously with the UR-2 zoned portion of the property.
- All proposed development on the site shall comply with applicable ordinance requirements regarding the number and arrangement of off-street parking spaces, signage, yard dimensions, screening, tree ordinance, etc.
- Storm water detention facilities shall not be located within any setback.
- The maximum height of any freestanding light fixture shall not exceed 30 feet. All such lighting will be full cut-off fixtures.
- Vehicle access points shall be limited to those shown on the site plan. The exact location may vary somewhat from that depicted and shall comply with all applicable design requirements of CDOT and/or NCDOT.
- ***The following agencies must be contacted prior to construction regarding wetland and water quality permits:
Section 401 Permit- NCDENR - Raleigh Office (919) 733.1788
Section 404 Permit- US Army Corps of Engineers (704) 271.4854
- ***Deleted
- ***Deleted
- ***Deleted
- All first story non-residential building windows shall have "Clear Vision Glass" per ordinance requirements
- Pedestrian scale lighting shall be placed per Ordinance requirements at all along all internal sidewalks(s) shown with in the site plan in addition to parking lot lighting.
- Town home (residential buildings) material palette shall primarily consist of brick, Hardi board, and Dryvit (E.I.F.S.), all non-residential buildings shall primarily consist of brick, stone and Dryvit (E.I.F.S.). Vinyl Siding shall not be allowed except on building eaves, soffits, and window trims.
- All installation and design of curb and gutter along Prosperity Church road and Ridge Road shall comply and correspond to the ultimate Prosperity Village Cross Section Requirements.
- All internal infrastructure roadways associated with the NS Zoning shall be installed only with the build-out of that portion of the development.
- All internal roadways and infrastructure associated with UR-2 Zoning shall be installed only with the build-out of that portion of the development.
- ***Deleted
- The developer of Prosperity Church Road Villages is responsible for providing an exclusive left turn lane on Ridge Road for the new site access drive thereby installing a raised island in the middle of Ridge Road, creating back-to-back left turn lanes between Prosperity Church Road and the easternmost site access drive.
- All existing trees greater than 8" dbh located within the Ordinance specified building setback shall be saved.
- ***Deleted
- The northern most intersection at Prosperity Church Road to the northern most East / West internal road, shall have a left turn lane constructed into the property. This turn lane improvement shall be constructed at the time of the UR-2 (CD) portion of the property is constructed.
- All non-residential building first floor windows shall not be internally obstructed. All permitted signage shall not be considered an internal obstruction.

LANDSCAPING NOTES

- All buffers to comply with the requirements of The Charlotte-Mecklenburg Zoning Ordinance (Chapter 12, Part 3).
- "C" Class Buffer based on Table 12.302(b). See site plan for exact buffer locations.
- Trees & shrubs shall be selected from the Charlotte-Mecklenburg approved plant list in Appendix 1 of the Zoning Ordinance. All trees and shrub locations shown are approximate and will comply with zoning ordinances.

TRANSPORTATION NOTES

- A full movement access drive for the property to Ridge Road is to be situated approximately 470 feet east of Prosperity Church Road.
- A right in right out driveway to the property from Ridge Rd. shall be situated approximately 300 feet east of the intersection of Ridge R. & Prosperity Church Rd.
- A full movement access drive for the property to Prosperity Church Rd. is to be situated approximately 310 feet north of Ridge Rd.
- The developer shall provide a left turn lane from Ridge Road into the proposed road located on the eastern property line of the property thereby installing a raised island in the middle of Ridge Road, creating back-to-back left turn lanes between Prosperity Church Road and the easternmost public road. This left turn lane shall be installed simultaneously with the development of the NS portion of the property.
- The developer shall provide a left turn lane from Prosperity Church Rd. to the new east west public road located between the proposed town home development and the commercial portion of the property. This left turn lane shall be installed simultaneously with the development of the NS portion of the property.
- All driveways shown on the site plan from the NS portion of the property to the southernmost east-west right of way are permitted.
- The old Ridge Rd. right of way as shown on the site plan shall be abandoned.
- Simultaneous with the development of the UR-2(CD) portion of the property, the developer shall provide for a left turn lane from Prosperity Church Road to the northern most east-west road of the property.
