**Attachments:** Bench Pad Standard(s)

**I. SUMMARY REMARKS:**

**FIRST SUBMITTAL**

CATS requests that Petitioner install a concrete pad upon which a bench or other transit amenities can be installed in the future. Depending on Petitioner's final site plan and streetscape requirements, either pad standard 60.02A or 60.02B may be appropriate (both are attached hereto). Please contact Anderson (Budd) Early at CATS (704.432.2557) if Petitioner should have any questions regarding this request, regarding selection of the pad standard or regarding the location for the requested pad.

**REVISED SUBMITTAL**

No further comments.

**Should you require additional information, please advise.**
