**Date:** April 22, 2009

**To:** Tom Drake & Tammie Keplinger  
Charlotte-Mecklenburg Planning Department

**From:** Michael A. Davis, PE *Mike Davis*  
Development Services Division

**Subject:** Rezoning Petition 09-041: Located at the Intersection of Highway 29 and  
Caprington Avenue

CDOT does not have any issues associated with this rezoning request. We have provided comments below for your information.

Goal 1 of the TAP relies on implementation of the Centers, Corridors and Wedges land use strategy. This project site is located in a Corridor. Such areas should include a dense and interconnected street network.

This proposed rezoning will not have any effect on transportation.

Please advise if we can be of further assistance,
