I. SUMMARY REMARKS:

FIRST SUBMITTAL

CATS requests that Petition provide a concrete waiting pad at CATS' existing bus stop. The standard for the pad is 60.02A and is attached hereto and the Petitioner's site plan showing the approximate location of the pad is also attached hereto. However, please contact William (Budd) Early of CATS Facilities Management staff at 704.432.2557 regarding the final location of the pad and for any questions related to this request. Thank you.

Should you require additional information, please advise.
