I. SUMMARY REMARKS:

FIRST SUBMITTAL

CATS does not have any comments or requests at this time but would like to bring to the Petitioner's notice that the future streetcar project, if implemented, would involve use of the curb side travel lane adjacent to the subject property. If the Petitioner requires further information regarding the proposed streetcar project, please contact Brian Nadolny, CATS Assistant Project Manager, 704.336.3752.

Should you require additional information, please advise.
