RE: Rezoning Petition # 2009-066

The petitioner's property is located in the East Park District in the vicinity Sheffield Neighborhood Park and the Evergreen Nature Preserve. The proposed project will have no impact on the nearby Park facilities. We have no comment at this time. However, should the site plan or rezoning change, we would like the opportunity to review again.

Feel free to contact me at (704) 336-7694 should you require additional information or have questions.
