Date: October 23, 2009

To: Tom Drake & Tammie Keplinger
Charlotte-Mecklenburg Planning Department

From: Michael A. Davis, PE *R. H. Grochoske for*
Development Services Division

Subject: Rezoning Petition 09-073: Located on the northeast corner at the intersection of North Wendover Road and Ellington Street (*revised 10/23/09*)

We previously commented on this petition in our August 26, 2009, and September 29, 2009 memorandum to you.

CDOT requests the following changes to the rezoning plan:

1. North Wendover Road is a major thoroughfare requiring a minimum of 100 feet of right-of-way, measured 50 feet from the centerline of the existing right-of-way. CDOT request that the petitioner convey right-of-way in fee simple title to meet this requirement. The current site plan does not indicate that the petitioner is dedicating the right-of-way as requested.

If we can be of further assistance, please advise.
