Recommendations and Ordinance Requirement Reminders

Storm Water Services

In order for the Mecklenburg County Water Quality Program to support this rezoning, the following recommendations should be implemented on site plans.

City of Charlotte Post-Construction Storm Water Ordinance

The requirements of the post-construction storm water ordinance for the City of Charlotte should be applied to the proposed rezoning. More detailed information regarding ordinance requirements is available at the following website:

<http://www.charmeck.org/Departments/StormWater/Contractors/Post-Construction+Storm+Water+Ordinances.htm> and click on City of Charlotte.

Please contact me should you have any questions regarding this response.
Respectfully,

Heidi Pruess, Environmental Policy Administrator
