Minimum Required Off-Street Parking Spaces by Use**

Purpose of Change:

Modify the location, lighting, design, and maneuvering area requirements for bicycle parking.

Add bicycle parking maximums to certain uses so that expansions of existing large sites would not require bringing the whole site into compliance with respect to bicycle parking: health institutions, office, outdoor recreation, jails, and retail establishments.

Reduce the short-term bicycle parking requirements for jails and wholesale establishments.

Modify the long-term bicycle parking requirement for nursing homes, jails, universities and colleges, outdoor recreation, and retail establishments.

Improve user-friendliness of Table 12.202.
