### I. SUMMARY REMARKS:

In terms of the section titled "Transportation" contained within Petitioner's Development Standards, CATS requests that the following language be added: Existing CATS bus stops, waiting pads and shelters will be preserved by Petitioner along Monroe Road or will be restored by Petitioner if impacted or damaged by Petitioner's construction.

### II. REVISED SITE PLAN:

CATS acknowledges receipt of Petitioner's revised site plan whereby Petitioner has noted that CATS operates existing bus stops. CATS requests that the language submitted above as Item "I" be added.

### III. Final comments:

**CATS withdraws the comments above as Petitioner has granted easement(s) to provide bus shelters and related amenities separate from this rezoning petition.**

**Thank you. Should you require additional information, please contact Tina Votaw of CATS at 432-3013 or Ramond Robinson of CATS at 353-0018.**
