

**COMMUNITY MEETING REPORT FOR REZONING
PETITIONS No.'s 2011-082 AND 2011-083**

Petitioner: Steele Creek 1997 Limited Partnership

Rezoning Petition No.'s: 2011-082 (Office Parcel) and 2011-083 (Retail Parcel)

Property: Approximately 11.0 acres, located on the southwest corner of the intersection of South Tryon Street and Steele Creek Road, in Charlotte NC (Petition No. 2011-082) and Approximately 22.0 acres located on the south side of the intersection of Steele Creek Road and Walker Branch Drive (Petition No. 2011-083)

This Community Meeting Report is being filed with the Office of the City Clerk and the Charlotte-Mecklenburg Planning Commission pursuant to the provisions of the City of Charlotte Zoning Ordinance.

PERSONS AND ORGANIZATIONS CONTACTED WITH DATES AND EXPLANATIONS OF HOW CONTACTED:

A representative of the Petitioner mailed a written notice of the date, time and location of the Community Meeting to the individuals and organizations set out on Exhibit A attached hereto by depositing the Community meeting Notice in the U.S. mail on October 25, 2011. A copy of the written notice is attached hereto as Exhibit B.

DATE, TIME AND LOCATION OF MEETING:

The Community Meeting required by the Ordinance was held on Wednesday, November 9th, 2011 at 7:00 p.m. at Carolinas Medical Center, 13640 Steelescroft Parkway in Charlotte, North Carolina 28273. **The meeting was scheduled as a joint meeting for Petition No.'s 2011-082 and 2011-083 which were both filed by the Petitioner and are located across Steele Creek Road from each other.** In addition, Petitioner and petitioners representatives also met with the Steele Creek Land Use Committee on November 1st to review the two proposed rezoning petitions.

PERSONS IN ATTENDANCE AT MEETING:

The individuals as indicated on the sign-in sheet attached hereto as Exhibit C attended the Community Meeting required by the Ordinance. The Petitioner's representatives at the Community Meeting were Chris Thomas, David Haggart and John Dosser with Childress Klein Properties. Also in attendance representing the Petitioner was Rhett Crocker with LandDesign and Jeff Brown and Keith MacVean of King & Spalding.

SUMMARY OF ISSUES DISCUSSED AT MEETING:

The meeting was opened by Chris Thomas who introduced the development team. Mr. Thomas provided information and background about the Petition and described how the Petitioner had been involved in a number of the existing developments in the Steele Creek area including the first phase of the RiverGate Shopping Center. He then turned the meeting over to Jeff Brown who described the rezoning process and mentioned some of the key dates in the process. Mr. Brown also explained the significance of the conditional rezoning plans submitted and that this meeting was being held as a joint community meeting for Petitions No.'s 2011-082 and 083 since these petitions are side by side.

Mr. Brown then asked Mr. MacVean and Mr. Crocker to describe the proposed plans in more detail. A description of the proposed uses, access locations, buffers, streetscape improvements and other site improvements was provided.

The attendees were then invited to ask questions.

The attendees wanted to know when development would start if the rezoning petitions were approved. It is anticipated that the retail buildings could start within one to two years of approval, office buildings would likely be further off unless demand for office space picked up.

One of the attendees wanted to know the relationship between the proposed Steele Creek Area Plan and the proposed rezoning petitions. The proposed rezoning petitions are consistent with the recommendations of the Steele Creek Area Plan. It was also clarified that the recommendations made in the area plan do not change existing zoning, but instead are used to evaluate specific rezoning requests when they are filed.

The attendees were also informed that the Petitioner's meeting with the Steele Creek Land Use Committee was positive.

Questions about the size of the proposed retail development was asked as well as a question about the configuration of the intersection of Steele Creek Road and Old Steele Creek Road. The proposed retail development will be about the same size as the portion of the existing RiverGate Shopping Center where Best Buy is located (\pm 155,000 square feet). The intersection of old Steele Creek Road and Steel Creek Road will be reconfigured as a directional cross-over when the driveway to the retail center is constructed. In addition as part of the development of the office parcel, existing Steelecroft Parkway will be extended to Steele Creek Road opposite Walkers Branch Road.

One attendee asked if market research would be done to identify possible retail tenants. General market assessments have been reviewed as well as continued efforts to identify proposed retail tenants.

The Petitioners representatives thanked everyone for attending the meeting and sharing their thoughts.

CHANGES MADE TO THE PETITION AS A RESULT OF THE COMMUNITY MEETING:

Since there were no specific requests for changes to the Petition no such changes were made as a result of the Community Meeting.

Date of Notice: October 25, 2011

We are assisting Steele Creek (1997) Limited Partnership (the "Petitioner") on a Rezoning Petition it recently filed regarding a zoning change for approximately 22.0 acres located at the intersection of Steele Creek Road and Walker Branch Drive. We take this opportunity to furnish you with basic information concerning the Petition and to invite you to attend a Community Meeting to discuss it. The Petitioner wants to ensure that residents and business owners in the area have a chance to learn about the Petition.

This Community Meeting will be a joint meeting held in conjunction with a meeting regarding Rezoning Petition No. 2011-082 (for 11 acres across Steele Creek Road from this Petition) also filed by Steele Creek (1997) Limited Partnership.

Because the proposal for this Petition as well as the proposal for Petition No. 2011-082 will be part of the RiverGate mixed use center and are both owned by Steele Creek (1997) Limited Partnership, it is appropriate that a joint Community Meeting be held to review both proposals.

Background and Summary of Request:

This Petition involves a request to rezone the 22.0 acres involved in this Petition from R-17MF(CD) to the CC zoning district to allow the Site to be developed with up to 155,000 square feet of retail, restaurant and some office uses. The proposed buildings will be arranged along the existing public streets as well as two new internal private drives. As part of the development of the Site an open space plaza area will be constructed between the buildings, and this plaza area will be connected to a multi-use trail that will be constructed along the stream at the rear of the Site. Access to the Site will be from Steele Creek Road and Walker Branch Drive.

Community Meeting Date and Location

The Charlotte-Mecklenburg Planning Commission's records indicate that you are either a representative of a registered neighborhood organization or an owner of property near the Site. **Accordingly, we are extending an invitation to attend the upcoming Community Meeting to be held on November 9th, 2011 at 7:00 p.m. at 13640 Steelescroft Parkway (CMC-Steele Creek) in Charlotte.** Representatives of the Petitioner look forward to discussing this rezoning proposal with you at the Community Meeting.

The Petitioner may later amend the conditional rezoning plans as a result of comments received at the Community Meeting, comments from the Planning Staff, comments from the Charlotte Department of Transportation, or as a result of modifications deemed appropriate by the Petitioner.

In the meantime, should you have questions about this matter, you may call Keith MacVean (704-503-2637).
