RE: Rezoning Petition #2012-049 (McMullen Creek Greenway)
Charlotte Mecklenburg Planning Commission (PID #209-171-05)

This is the third communication concerning this property (3/15/12;7/13/12). We encourage staff and the Planning Commission to consider Mecklenburg County Park and Recreation Department's (MCPR) comments. We suggest that these comments be incorporated into the staff review notes and written into the Pre-Hearing Staff Analysis to the fullest extent possible. These steps should ensure MCPR's notes are conveyed to and incorporated by the petitioner during plan revision.

Located in the South Park District near the intersection of Carmel Road and Quail Hollow Road and on the east side of McMullen Creek, this parcel includes a greenway corridor that has been approved as part of the 2008 Greenway Master Plan.

MCPR has reviewed the revised rezoning sheets revised 7/20/12 and approves the proposed conveyance of the area show for the main trail and the access trail. MCPR has no further comments for the rezoning petition.
