RE: Rezoning Petition #2012-092 Seven Eastway Drive Properties (PID#101-011-111, 112, 113, 116, 093-084-16, 17, 18)

This is the first communication concerning this property. We encourage staff and the Planning Commission to consider Mecklenburg County Park and Recreation Department's (MCPR) comments. We suggest that these comments be incorporated into the staff review notes and written into the Pre-Hearing Staff Analysis to the fullest extent possible. These steps should ensure MCPR's notes are conveyed to and incorporated by the petitioner during plan revision.

The property is located in the Central Park District at Eastway Drive and Hillard Drive.

This portion of Eastway Drive indicates an Overland Connector from Toby Creek Greenway to Briar Creek Greenway on the approved 2008 Mecklenburg County Greenway Master Plan. Due to the non-contiguous nature of the parcels being rezoned, it would be impractical to request a multi-use trail along the Eastway Drive frontages. MCPR has no further comments at this time.
