RE: Rezoning Petition #2013-031 – Newland Road Multi-Family Apartments
(PID #077-062-01)

This is the first communication concerning this property. We encourage staff and the Planning Commission to consider Mecklenburg County Park and Recreation Department's (MCPR) comments. We suggest that these comments be incorporated into the staff review notes and written into the Pre-Hearing Staff Analysis to the fullest extent possible. These steps should ensure MCPR's notes are conveyed to and incorporated by the petitioner during plan revision.

This property is located in the Central Park Region at the intersection of Newland Road and Samuel Street. The property borders Irwin Creek, which is identified on the 2008 Mecklenburg County Greenway Master Plan.

MCPR requests the petitioner dedicate the 100' SWIM Buffer in the area encompassed in the rezoning that is adjacent to Irwin Creek. All BMP's should be located outside of the area to be dedicated to MCPR. This property conveyance should occur prior to the issuance of the first Certificate of Occupancy for the first dwelling unit.

The petitioner can contact MCPR to discuss and we will answer any questions they may have regarding this request.
