Subject: Rezoning Petition 13-044: Approximately 4.26 acres located on the east side of Providence Road between South Wendover Road and Providence Drive..

CDOT has completed a review of the subject petition in order to ensure consistency with the Transportation Action Plan (TAP). The TAP seeks to ensure that Charlotte's transportation network supports current and future land uses and includes streets that provide safe and comfortable mobility for motorists, pedestrians, bicyclists, and transit users. Based on our review of the petition, we offer the following comments.

Vehicle Trip Generation

This site could generate approximately 115 trips per day as currently zoned. Under the proposed zoning the site could generate approximately 150 trips per day.

We do not have any additional comments on the subject petition.

If we can be of further assistance, please advise.
