

REZONING MEMORANDUM
ARBORIST OFFICE

Reviewer: Laura Brewer
Phone: 704.336.5753
E-Mail: lbrewer@charlottenc.gov

Date: 26 July 13
Petition Number: REZ. 2013-055

COMMENTS:

Please add a note to plan regarding preservation of existing trees within City right of way. Something like:

“Petitioner is aware that building footings/foundation may require special structural modifications in areas near existing large diameter trees where the root protection zone and building footprint overlap. Developer will work with City Arborist to ensure trees and their critical root zones are adequately protected.”
