Please review the City Code Sec. 10-99. Rollout container collection service.

Sec. 10-99. Rollout container collection service. 

(a)

Rollout container collection service shall be provided to single residential units and special residential units, provided such special residential units are not part of a multifamily complex containing 30 or more units. The approval of development configurations, lot lines, phase lines, or variations in forms or timing of ownership that may be approved under any provisions of the city subdivision ordinance and/or the city zoning ordinance after initial approval of development configurations, lot lines, phase lines, or variations in forms or timing of ownership, will not exempt the development or any portions of the development from the applicable provisions of this section.

(b)

Except as provided in [section 10-100](#), rollout containers will be collected from the curb. Containers must be placed at ground level, within six feet of the curb and at least three feet away from each other or other obstacles such as mailboxes, telephone poles, automobiles, bulky items, trees, etc., or in a location specified by the solid waste service director or director's designee. A customer should use reasonable care and caution when placing a rollout container along the curb and should avoid interfering with the access to or denying the use of a sidewalk by others. Service may be denied to:

(1)

Any improperly placed container;

(2)

Any container that is not accessible to solid waste services personnel without having to unlock or open a door, ascend or descend multiple

steps, unlock or open a gate or similar obstacle, or encounter a vicious animal; and

(3)

Any container rendered inaccessible by parked vehicles, equipment or other objects.

(c)

Rollout containers shall be placed at the curb no earlier than the day before the collection day and shall be removed by midnight on the collection day

(d)

Garbage shall be drained of all liquid and enclosed in securely tied plastic bags prior to being placed in rollout containers.

(e)

It shall be unlawful to place dangerous items and/or any waste materials of injurious nature such as broken glass, light bulbs, sharp pieces of metal, fluorescent tubes and television tubes in rollout containers for collection. Hypodermic syringes, hypodermic needles or any instrument or device for making hypodermic injections shall not be disposed of except as provided in [section 10-111](#)

(f)

Civil penalty. Any customer who places solid waste at curbside prior to the day before the scheduled collection date or who fails to remove solid waste and/or containers from curbside by midnight on the day of collection may be issued a civil penalty the amount of \$50.00. Any person who fails to properly prepare or containerize solid waste for curbside collection may be issued a civil penalty in the amount of \$50.00.

Other issues:

If the property chooses to use a dumpster for collection service, please review Appendix A, Section 12.403. Solid Waste containers, compactors, recycling containers, solid waste and recycling handling area, and service entrances.
