Petition:	2013-094 Halvorsen Development Corporation	Telephone:	704-353-0018
		Email:	bhorton@charlottenc.gov
		Attachments:	Bus Shelter and Pad Spec

I. SUMMARY REMARKS:

The Petitioner is requested to construct a shelter pad on Ridge Road for new express bus service to Uptown Charlotte. The location of the stop is flexible and may work on any one of the multiple curb extensions along Ridge Road.

The CATS standard for a shelter and waiting pad is also shown below. If provided the concrete pad, CATS will be responsible for installing a standard shelter. If seeking a unique shelter design, the developer needs to provide the shelter structure and coordinate its design with CATS.

The petitioner is also requested to allow 20 parking spaces be used for park-and-ride on weekdays. These spaces may be located at the edge of a large parking lot, along internal streets, or along Ridge Road.

Please contact me if there are any questions relative to this request. Thank you.
