**Comments:**

16-inch water main on North Tryon Street and 8-inch water main on West Sugar Creek Road. A 12-inch water main currently serves parcel under review.

Gravity sewer mains to the North on Hunslet Circle and to the South on North Tryon Road.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. It does not imply available capacity in lines, pump stations, or treatment facilities.
