RE: Rezoning Petition #2014-037 – Outdoor Recreation Screening and Buffering
Requirements Text Amendment

This is the second communication concerning this petition. We encourage staff and the Planning Commission to consider Mecklenburg County Park and Recreation Department's (MCPR) comments. We suggest that these comments be incorporated into the staff review notes and written into the Pre-Hearing Staff Analysis to the fullest extent possible. These steps should ensure MCPR's notes are conveyed to and incorporated by the petitioner during text amendment revisions.

MCPR accepts the language in Footnote #5 added to the revised Text Amendment dated 3/27/14. We have no further comments at this time.
