I. SUMMARY REMARKS:

The Petitioner is requested to retain the existing bus stop and waiting pad along Statesville Avenue. If new curb is installed along Statesville Avenue, then the Petitioner is requested to upgrade the existing bus waiting pad to the attached standard (60.01B) for the requested bus stop pad.

The site plan may either show the conceptual location of the improved bus stop on Statesville Avenue, or alternatively, include a development note to locate the bus stop pad during the development review and permitting process.

Please contact me if there are any questions related to this request. Thank you.
