Attachments: Waiting Pad Detail

I. SUMMARY REMARKS:

The Petitioner is requested to provide and construct a concrete waiting pad for a relocated bus stop along Sharon Road. In light of the proposed planting strip, the petitioner should use standard detail 60.01B.

Below is an image of the standard detail (60.01B) for the requested bus stop pad. The site plan may either show the conceptual location of the improved bus stop on Sharon Road, or alternatively, include a development note to locate the bus stop pad during the development review and permitting process.

Please contact me if there are any questions related to this request. Thank you.
