Recommendations

Concerning Storm Water: Please include the following note on the site plan under "Environmental Features": *The petitioner shall comply with the Charlotte City Council approved and adopted Post Construction Controls Ordinance. The location, size, and type of storm water management systems depicted on the Rezoning Plan are subject to review and approval as part of the full development plan submittal and are not implicitly approved with this rezoning. Adjustments may be necessary in order to accommodate actual storm water treatment requirements and natural site discharge points.*

Recommendations

Due to revisions: *No additional recommendations are needed at this time.*
