**Comments:**

Access to the CMUD Water System is available via the existing 24-inch water main along South Summit Avenue, the existing 12-inch water mains along Grandin Road and South Summit Avenue, and the existing 6-inch water main along West 4<sup>th</sup> Street..

Access to the CMUD Sewer Service is available from the existing 8-inch gravity sewer mains located along West 4<sup>th</sup> Street, South Summit Avenue, and Grandin Road.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. It does not imply available capacity in lines, pump stations, or treatment facilities.
