I. SUMMARY REMARKS:

The Petitioner is requested to amend the site plan notes under the headings of Old Sardis Road Right-of-Way/CATS Park-and-Ride Facility to address the following CATS concerns:

1. In order to accommodate the abandonment, it would be necessary for the petitioner to provide an alternate CATS park-and-rider facility within permanent easement to replace the one currently located within the Old Sardis right-of-way.
2. It is understood that no development activity can take place within the Old Sardis Road right-of-way unless and until that area is abandoned by the City of Charlotte, and a replacement park-and-ride facility is established for CATS.

Please contact me if there are any questions related to this request. Thank you.
