October 22, 2014

This is a meeting notice for a second community meeting about this rezoning case. We have discovered that our mailing list that was used to send out letters for the meeting held on Tuesday October 21st was incomplete. Therefore, we will be holding a second community meeting to assure that everyone is notified and afforded an opportunity to attend our community meeting.

Dear Neighbors:

We invite you to attend a neighborhood meeting to receive a presentation on a rezoning petition for an approximately 5.5 acres located on the north side of Endhaven Lane. The purpose of the rezoning request is to change the current residential classification to an urban residential classification. The reason that this proposal has come forward is to allow for the conversion of the residential sites to accommodate a small townhome community. For more information on this petition, please go to the link below:

Sometimes with rezoning petitions, information is not readily available to interested parties and the facts about the request are misunderstood. We would like to take this opportunity to discuss information with you so that you may have the facts about the request. You may not have an interest in this particular rezoning, but if you do, please plan to attend this meeting to learn more about the proposal, share your comments, and have an opportunity to ask questions.

The meeting will be held on Wednesday November 5 from 6:30 to 7:30 pm in The Polk Room at the Springhill Suites by Marriot located at 12325 Johnson Road. .

If you have any questions about the meeting, please feel free to call Walter Fields at 704-372-7855.
