DEVELOPMENT STANDARDS

June 19, 2015

GENERAL PROVISIONS

- A. These Development Standards form a part of the Rezoning Plan associated with the Rezoning Petition filed by Unique Southern Estates, LLC for an approximately 4.54 acre site located at the southeastern corner of the intersection of The Plaza and Belvedere Avenue, which site is more particularly depicted on the Rezoning Plan (hereinafter referred to as the "Site"). The purpose of this rezoning request is to accommodate the development of up to 18 for sale single family attached dwelling units along portions of the perimeter of the Site and a private neighborhood pool and swim club operated on a membership basis within the interior of the Site, and to maintain the existing Estate structures and grounds for use as a hotel, conference center, event facility and other uses.
- B. The development of the Site will be governed by the Rezoning Plan, these Development Standards and the applicable provisions of the City of Charlotte Zoning Ordinance (the "Ordinance"). Subject to the optional provisions set out below, the regulations established under the Ordinance for the Mixed Use Development District ("MUDD") zoning district shall govern the development of the Site.
- C. The development and uses depicted on the Rezoning Plan are schematic in nature and are intended to depict the general arrangement of uses and improvements on the Site. Accordingly, the ultimate layout, locations and sizes of the development and site elements depicted on the Rezoning Plan are graphic representations of the proposed development and site elements, and they may be altered or modified in accordance with the setback and yard requirements set forth on this Rezoning Plan and the development standards, provided, however, that any such alterations and modifications shall not materially change the overall design intent depicted on the Rezoning Plan.
- D. Internal sidewalks generally depicted on the Rezoning Plan may be altered provided that such alterations do not materially change the design intent generally depicted on the Rezoning Plan.
- E. The parcels of land that comprise the Site may be recombined into one parcel at the option of the Petitioner.
- F. The Site is located in the Plaza Midwood Historic District and the Site and the existing principal structure (the "Main House") have been designated as a historic landmark by the Charlotte City Council. Additionally, the Site has been designated as a National Historic Landmark.
- G. Future amendments to the Rezoning Plan and/or these Development Standards may be applied for by the then owner or owners of the Site in accordance with the provisions of Chapter 6 of the Ordinance. Alterations to the Rezoning Plan are subject to Section 6.207 of the Ordinance.
