**I. SUMMARY REMARKS:**

The Petitioner is requested to provide and construct a concrete pad for the existing bus stop on Sharon Road. Below is an image of the standard detail (60.01B) for the requested concrete pad. The site plan may either show the conceptual location of the improved bus stop on Sharon Road, or alternatively, include a development note to locate the bus stop pad during the urban review process.

Please contact me if there are any questions related to this request. Thank you.
