Attachments: Bus stop pad detail

I. SUMMARY REMARKS:

This site is located near an existing bus stop on East Seventh Street. The Petitioner is requested to provide and construct a bench pad for a relocated bus stop on East Seventh Street. Below is an image of the standard detail (60.09A) for the requested bus stop pad. Note that the design of the bus stop allows for future conversion to a shelter. A bicycle rack is optional, though it may count towards short-term bicycle parking. CATS will be responsible for installation and maintenance of the bench or shelter.

Please contact me if there are any questions related to this request. Thank you.
