I. SUMMARY REMARKS:

This site is located on a future bus route that will connect to the planned Sugar Creek LYNX Blue Line Station. The Petitioner is requested to provide and construct a bench pad for a new bus stop along Sugar Creek Road.

Below is an image of the standard detail (60.02A) for the requested bus stop pad. Permanent easement is requested, where dimensions exceed existing or proposed right-of-way limits. CATS will be responsible for installation and maintenance of the bench.

Please contact me if there are any questions related to this request. Thank you.
