Attachments: Bus stop pad detail

I. SUMMARY REMARKS:

This site is located on an existing bus route. The Petitioner is requested to provide and construct a bus stop waiting pad for the existing bus stop on West Tyvola Road. The location of the bus stop may move, in order to remove any conflicts with proposed right-turn lanes. Below is an image of the standard detail (60.01B) for the requested bus stop pad.

Please contact me if there are any questions related to this request. Thank you.
