Attachments: Bus stop pad detail

I. SUMMARY REMARKS:

This site is located on an existing bus route. The Petitioner is requested to provide and construct a new waiting pad for the existing bus stop on Brookshire Boulevard, ideally closer to North Cloudman Street than Hoskins Road, in order to minimize traffic impacts.

Below is an image of the standard detail (60.01B) for the requested bus stop pad. Permanent easement is requested, where dimensions exceed existing or proposed right-of-way limits.

Please contact me if there are any questions related to this request. Thank you.
