Subject: RZ Rev Site Plans-Zoning Committee Session

All,

Below is a table referencing the status of our outstanding issues for the cases going to Zoning Committee next week:

Case No	Outstanding Issue(s)	Notes
2016-123	All outstanding issues remain from memo dated 11-30-16 with the exception of outstanding issue #2 which the petitioner has addressed.	The petitioner originally complied with the request to extend the local street, but has since removed the connection and is now proposing a permanent structure in a location that could affect future construction of this road.
2016-138	Outstanding issue #1 from memo dated 11-03-16 has not been addressed	This was to fund a pedestrian hawk signal on Park Rd.
2016-141	None	N/A
2016-147	None	N/A
2016-117	None	N/A
2016-128	Called Keith MacVean and he is sending an updated list of outstanding issues either addressed or not being done	CDOT will update planning by 1-2-2017
2016-140	Yes, one minor issue remaining. Note 2.d needs to be revised to include pedestrian signalization of northern Rocky River approach crossing.	N/A
2016-144	None	N/A

The above cases were reviewed by Rick and I. Carlos forwarded cases 097, 148, and 149 to you last week.

If there are any questions or we missed something let us know.

Thanks,
