Comments:

In relation to the parcels under review, Charlotte Water has water system availability for the rezoning boundary via an existing 12-inch water distribution main located along Fairview Road and an existing 8-inch gravity sewer main located along Providence Road.

In relation to the parcels under review, Charlotte Water has water system availability for the rezoning boundary via existing 8-inch gravity sewer mains located along Providence Road and the northern corner of the Rezoning Boundary.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. It does not imply available capacity in lines, pump stations, or treatment facilities.
