COMMUNITY MEETING REPORT Petitioner: Lat Purser & Associates, Inc

Rezoning Petition No. 2017-031

This Community Meeting Report is being filed with the Office of the City Clerk and the Charlotte-Mecklenburg Planning Commission pursuant to the provisions of the City of Charlotte Zoning Ordinance.

PERSONS AND ORGANIZATIONS CONTACTED WITH DATE AND EXPLANATION OF HOW CONTACTED:

A representative of the Petitioner mailed a written notice of the date, time and location of the Community Meeting to the individuals and organizations set out on <u>Exhibit A</u> attached hereto by depositing such notice in the U.S. mail on 1/3/17. A copy of the written notice is attached hereto as Exhibit B.

DATE, TIME AND LOCATION OF MEETING:

The Community Meeting was held on January 16th at 6pm at the Johnston YMCA (Hut Building) located at 3025 N Davidson St. Charlotte, NC 28205.

PERSONS IN ATTENDANCE AT MEETING (see attached copy of sign-in sheet):

The Community Meeting was attended by those individuals identified on the sign-in sheet attached hereto as Exhibit C. The Petitioner was represented at the Community Meeting by (Mark Miller and Lat H. Purser of Lat Purser & Associates).

SUMMARY OF PRESENTATION/DISCUSSION:

The Petitioner's agent, Mark Miller, welcomed Kate and introduced himself and Lat Purser. Kate noted that she regretfully had to step away from the Villa Heights Neighborhood Association meeting that Mark and Lat had attended the week prior to present the project.

Mark indicated that they proposed to rezone an approximately 1.1 acre site at 2100-2116 N Davidson St. from the I-1 zoning district to a TOD-M(O) zoning district. Mark explained the rezoning process in general and stated that the purpose of the meeting was to discuss the rezoning request and the conditional site plan and respond to questions and concerns from nearby residents and property owners.

Lat H. Purser provided background information about Lat Purser & Associates' experience and the typical operation of its facilities. Mark then presented the site plan and pointed out various commitments made. Mark also showed proposed architectural elevations and discussed the design of the proposed facility. He used the elevations and renderings to explain the facility's design concepts, and operations.

Mark also noted that the existing site plan will change. The front parking will be replaced with onstreet parking, sidewalk and landscaping. He shared the intent for onstreet parking on 24th St. as well. There were discussions on how to set up 24th St. as it related to parking, sidewalk and landscaping. Kate mentioned her preference for a sidewalk. Anyone pushing a stroller has to walk in the street. Cordelia Park has stairs and the grassy areas are slippery.

Kate asked about uses and Mark shared that they would likely be service retail (bagel shop, nail salon, bottle shop, etc). Kate mentioned that Villa Heights is actively looking to incorporate more art into projects. Mark said the façade is very important to the Petitioner and we will try to make it stand out.

Kate asked if we are looking to provide a B-Cycle station. Mark said no because we do not have enough room. He added that we will be providing a bike rack to make the project bicycle friendly. Kate agreed this is important.

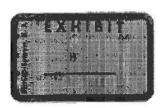

Kate mentioned Cordelia Park is slammed in the Summer, especially on weekends in the afternoon. She added that more parking on 24th St. (both sides) would be well received.

Respectfully submitted, this 17th day of January, 2017.

cc: LaQuett White, Charlotte-Mecklenburg Planning Department
