**Comments:**

In relation to the parcel under review, Charlotte Water has water system availability for the rezoning boundary via an existing 12-inch water distribution main located along West Morehead Street and an existing 6-inch water distribution main located along Millerton Avenue.

In relation to the parcel under review, Charlotte Water has sewer system availability for the rezoning boundary via existing 8-inch gravity sewer mains along Millerton Avenue and West Morehead Street.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. It does not imply available capacity in lines, pump stations, or treatment facilities.
