**Comments:**

In relation to the parcel under review, Charlotte Water has water system availability for the rezoning boundary via an existing 12-inch water distribution main located along Johnston Oehler Road.

In relation to the parcels under review, Charlotte Water has sewer system availability for the rezoning boundary via an existing 8-inch gravity sewer main located along Johnston Oehler Road and an existing 8-inch gravity sewer main located within the rezoning boundary along the Interstate 485 ramp.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. It does not imply available capacity in lines, pump stations, or treatment facilities.
