The petition is consistent with the *Central District Plan*, recommendation for a mix of office, residential, and retail uses as amended by petition 2002-074.

Rationale for Recommendation

- The subject site is located off Cascade Pointe Boulevard, adjacent to the U.S. Department of Veterans Affairs Health Care Center.
- The site provides a lodging service for the various large office and medical uses in the area.
- The proposal will provide for additional vehicular and pedestrian connections in the area.

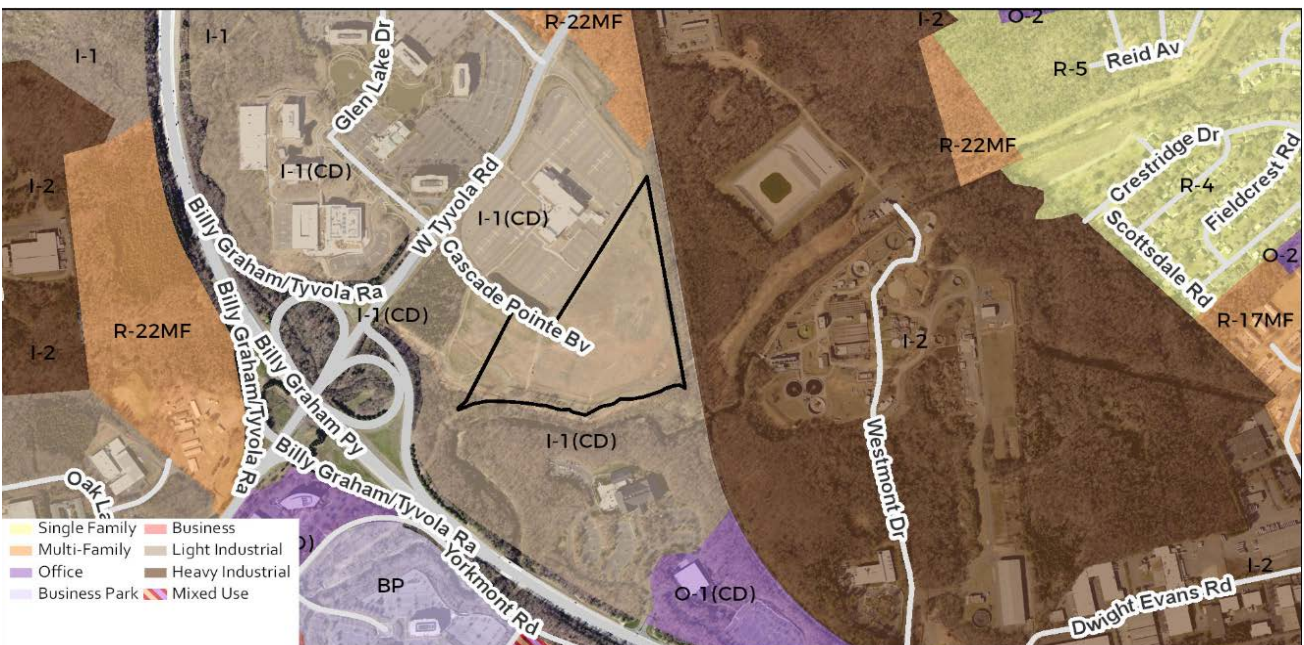

## PLANNING STAFF REVIEW

### • Proposed Request Details

The site plan accompanying this petition contains the following provisions:

- Allows the development of a hotel with 200 rooms or office building up to 75,000 square feet for office use.
- Dedication of 60 feet of right-of-way for a new public street.
- Maximum height of the proposed structure six stories and 80 feet.
- Building elevations of the proposed hotel building.
- Architectural features and notes include the following:
  - A combination of doors and windows for a minimum of 40 percent of each frontage elevation.
  - A minimum of 30 percent masonry material such as brick or stone.
  - Building elevations shall not have expanses of blank walls greater than 20 feet in all directions.
  - Combination of exterior wall offsets (projections and recesses), columns, pilasters, change in materials or colors, awnings, arcades, or other elements.

### • Existing Zoning and Land Use

- The subject site was rezoned by petition 2002-074 to I-1(CD) light industrial, conditional to allow the development of 1,365,000 square feet of office, 70,000 square feet of retail and 475 hotel rooms.
- Surrounding properties are zoned I-1 (CD) light industrial, conditional and I-2 (general industrial) developed with office building (VA Building), City of Charlotte Water Treatment Plant, Billy Graham Library, and vacant land.

The subject property is vacant.

The Charlotte Veterans Health Care Center is located to the north and east of the site.

Irwin Creek Greenway borders the site to the south.

The Lake Pointe office park is located to the west.

• **Rezoning History in Area**

Petition Number	Summary of Petition	Status
2017-038	Rezoned 2.12 acres to I-1(CD) SPA (light industrial, conditional, site plan amendment) to allow the development of 10,000 square feet for retail, office, and EDEE (eating/drinking/entertainment establishments)	Approved

• **Public Plans and Policies**

- The *Central District Area Plan* (1990) recommends a mix of office, residential, and retail uses.
- **TRANSPORTATION CONSIDERATIONS**
  - The site is located on a local street. The current site plan commits to construction of a public street as envisioned by the original rezoning. Other transportation infrastructure already in place as part of the overall planned development is adequate to support this proposed project.
  - **Vehicle Trip Generation:**
    - Current Zoning:
      - Existing Use: 0 trips per day (based on vacant land).
      - Entitlement: 160 trips per day (based on 46,000 square feet of warehouse uses).
    - Proposed Zoning: 1,630 trips per day (based on a 200 room hotel).
