Attachments: Mountable median nose example

I. SUMMARY REMARKS:

The existing median nose near new Building #5 inhibits buses from turning left off Perimeter Parkway onto Northlake Mall Drive. For this reason, CATS buses have not served the pre-constructed bus bay to be retained near new Buildings #3 and #4. This median nose should be replaced with a mountable curb, similar to the existing median nose by the NASCAR Hall of Fame in Uptown Charlotte. Below is a picture of this example of a mountable curb nose.
