Comments:

Charlotte Water currently does not have water system accessible for the rezoning boundary under review. The closest water distribution main is approximately 600 feet southeast of the rezoning boundary along Plaza Road Extension. The applicant should contact Charlotte Water's New Services at (704) 432-5801 for more information regarding access to water system connections.

Development is encouraged to contact Installation Development Services at (704) 336-5499 to review service connection design requirements and City Ordinances (e.g., backflow, separate meter Ordinance, public/private pipeline extensions). Comments: Submit application to the Capacity Assurance Program. Will need to go through our Donated Project Sections for a water/sewer extension.

Reservation of sanitary sewer system capacity through the Charlotte Water's Capacity Assurance Program is the responsibility of the customer/development. Contact the New Services Group at (704) 432-5801 for further information on reserving capacity up to 12 months.

This sheet indicates the findings of a cursory review of Utilities System Information for the presence or absence of public water or wastewater infrastructure only. The findings do not imply available capacity in water and sanitary sewer lines, pump stations, or treatment facilities. Reservation of capacity is achieved through the Charlotte Water's Capacity Assurance Program.
