

Jeanne Quinn is out of the office today so I am forwarding the following request to you directly regarding rezoning 2018-025. Please let me know if this needs to go to someone else.

Mecklenburg County Storm Water Services respectfully requests that a 50 foot storm water easement be provided by the petitioner on both sides of Tricer Branch on parcels 05537117 and 05537118. Tricer Branch is severely degraded through the area and a future stream restoration project is planned from the headwaters to I-485.

Please contact me with any questions.

Thank you,

dk
