I. SUMMARY REMARKS:

The site is served by CATS local bus route 56 (Arrowood Road) and there is a bus stop at the site along Arrowood Road. The public ROW includes a sidewalk and planting strip. The Petitioner is requested to provide and construct two new waiting pads for the existing bus stops along the site's frontage. Below is an image of the standard detail (60.01D) for each the requested bus stop pad. Coordinate with CATS for final pad location placement to ensure the stops are appropriately spaced.
